

## Indoors. Compact. Allround secure

This compact wall-mountable Hemispheric indoor camera (IP30) offers a super-wide allround 180° panorama view in high resolution. Easily replacing four standard CCTV cameras, just one i25 captures an entire room, wall-to-wall.

Wall-mounted i25 captures 180° field of view – no blind spots.

### MOBOTIX HiRes video replaces up to 6 cameras ...

- Extremely high-sensitive 5-megapixel sensor
- High-contrast images without motion blur even in low-light situations (MxLEO)
- Hemispheric technology featuring 180° view with no blind spots
- Cost-effective as fewer cameras are needed
- All relevant events are automatically saved
- Integrated MxActivitySensor detects even the smallest movements and reduces the number of false alarms
- Maintenance-free with no heaters, fans or moving parts
- No licensing or software fees, free-of-charge updates

### HiRes Video Innovations

The German company MOBOTIX AG is known as the leading pioneer in network camera technology and its decentralized concept has made high-resolution video systems cost efficient.
